Generally, we demolished some small farmhouses in the West Chester area and dumped the demolition debris at Skinner. We did not dismantle, handle, transport or deposit any hazardous material to the Skinner Landfill and as you can see in Attachment A, only used the landfill nine times.

Any questions should be directed to my attention at (513) 281-5151.

Sincerely,
ACME WRECKING COMPANY, INC.

Annette D. Smith
Director of Operations
